Gil Merrick's Notes

IT is a great pleasure to welcome our Hungarian visitors for tonight's friendly match, not only because they are one of the top sides of their Country, but it also brings back the flavour of the Inter-Cities Fairs Cup to St. Andrew's. I must admit that we have sorely missed the competition, and the very happy occasions we have spent with

many Continental Clubs. Tonight we will attempt to get ourselves back into the Continental Match atmosphere and at the same time get away from the tension of League games with the hope that it will serve to get a little more confidence for the severe League programme ahead.

Our victory over West Ham United on Saturday was deserved, although it was rather a struggle in the finish, simple because of the fact that our forwards again could not take advantage early on, that is why I am hoping that with the freedom from tension in this evening's game, we shall be able to improve up front.

In the "needle" match with our closest rivals Swindon Town, who are lying in second place in the Combination, the lads had a grand match and after a very hard struggle they finished level at 3 each, Peter Bullock 2, Mick Bullock I were our scorers.

BIRMINGHAM CITY v. FERENCVAROS (HUNGARY)

WEDNESDAY, DECEMBER 11th, 1963

Kick-off 7.30 p.m.

T gives us great pleasure tonight to welcome the Hungarian League Champions FERENCVAROS to St. Andrew's. They are a team who in the past 64 years have been champions of their country on no less than eighteen occasions. The present line up includes many current and recent International players and actually four of them have made 160 senior International appearances between them. Names such as Albert, Fenyvesi, Rakosi, Matrai and Sandor are well known to us in England and few will deny that here we have a

team of many talents and great potential. We have seen many most interesting floodlit encounters at St. Andrew's and it is felt that tonight's game should be among those to remember.

Ferencearos are making a 3 match tour culminating in their fixture at Highfield Road, Coventry on Monday next, and we all trust that they will enjoy their sojourn in our country and return to Hungary with happy memories and having made many new friends.
